

SCAN Membership Application

South Carolina Association of Naturalists
PO Box 5651
Columbia, SC 29250-5651
www.scnaturalists.org

SCAN is an organization composed of both amateurs and professionals interested in the natural history of South Carolina. We have at least one outdoor fieldtrip per month between February and December. We always meet on the 4th Saturday of the month except in November (3rd Saturday) and December (2nd Saturday). Members meet at the fieldtrip site promptly at 10:30 am unless otherwise stated in the monthly newsletter.

SCAN members must be 18 years of age or older. However, because we feel that it is important to get children involved in environmental stewardship, SCAN tries to organize two special trips a year on which the members may bring their children. These special trips are at the discretion of the acting president.

SCAN's membership runs on a calendar year from January to December with yearly dues payable at our only indoor meeting of the year, the Annual Business Meeting, which is held in January. The dues are \$12,00 for individuals with an extra \$5.00 for each additional member sharing the same newsletter. New members, who join after July 1st, only pay for half a year (\$6.00 for individuals/\$2.50 for each additional) since they will be rejoining in January.
